

CAPABILITY STATEMENT

GOVERNMENT CONTRACTING | PROCUREMENT | CONSULTING

ALABAMA-BASED SMALL BUSINESS | NATIONWIDE SERVICE

COMPANY OVERVIEW

Metro Services Unlimited LLC is an Alabama-based small business providing government contract coordination, procurement support, field-service solutions, and practical GovCon consulting. We align requirements with capable vendors and subcontractors while maintaining clear oversight, communication, and accountability.

CORE COMPETENCIES

- Government contract performance and project coordination
- Nationwide vendor and subcontractor sourcing
- Procurement, quote management, and requirement alignment
- Facilities, sanitation, grounds, cleaning, and waste services
- Hauling, transportation, and logistics coordination
- SAM.gov process guidance and GovCon readiness consulting
- Capability statement and opportunity-search support

COMPANY BACKGROUND

Established in 2024, MSU combines procurement coordination, administrative oversight, analytical decision-making, logistics, and field-service experience. We support public-sector requirements nationwide while helping emerging businesses prepare for the government marketplace.

DELIVERY MODEL

MSU supports requirements throughout the United States by identifying and coordinating qualified local service partners for each scope. This flexible model expands geographic reach while preserving one accountable point of contact for sourcing, documentation, performance coordination, and follow-through.
